

Lord Nelson Elementary School PAC Coffee Fundraiser

The coffee we are selling is fair-trade organic coffee of the highest quality, purchased from a local Commercial Drive roaster: Continental Coffee. They believe their coffee to be the highest grade and quality of bean available to them. The finest high-mountain-grown Arabica beans are roasted daily in their Toper roaster to ensure that the distinct characteristics and taste of each coffee is achieved.

There are four types of coffee for you to choose from, with options for whole-bean or ground. All coffee is priced at \$14/lb. (Note: 1 bag of coffee = 1 lb. of coffee).

How to order:

1. Fill out the attached order form. Please keep it intact.
2. Put both the order form and payment in an envelope and return it to the school office.
3. The deadline for coffee orders is the **last Tuesday of each month**.
4. When the coffee arrives and pickup is organized, we will contact you.
